MEDIA RELEASE

Gallery to continue disability outreach workshops

Following a trial earlier this year, the Goulburn Regional Art Gallery has been successful in gaining grant funding through the IMB Community Foundation to continue the workshop program.

The project will deliver practical art workshops at three local facilities providing services for people with a disability; Warrigal Care, the David Morgan Centre (Psycho-geriatric Unit) and the Crescent School.

Participants will undertake 24 workshops throughout the 2017/18 financial year; the program has been designed collaboratively by the Art Gallery and the participating organisations to ensure it is adaptable to people with different needs.

The program will conclude with an exhibition of work at the Art Gallery; the exhibition will be professionally hung to Gallery standards and will include an opening event, which workshop participants, their families and the extended Gallery community invited to attend.
